

CHIEF COMPLIANCE OFFICER CONNECTION PROGRAM

“Program for CCOs by CCOs”

Program Intro

The Chief Compliance Officer Connection Program Pilot was launched in November 2019. Due to the continued positive reception of the Program, we are pleased to offer it again this year.

The Program was developed with assistance from senior compliance executives to provide a platform for CCOs to be partnered with peers to foster networking and the building of collaborative relationships for both personal and professional growth.

FAQs

What are the Program Benefits?

- Leverage the value of networking by developing meaningful professional relationships
- Gain experienced perspectives on real-life situations especially now in this unprecedented time with the pandemic
- Greater benchmarking opportunities amongst peers
- Tap into seasoned advice & guidance for those new in role, industry or to CIAs
- Drives sharing of knowledge across the executive level to advance the compliance profession

Who is eligible to participate in the Program?

Individuals who are the most senior level compliance leader within their organization

- Generally, individuals who are:
 - Chief Compliance Officers (Global, Regional, US or Head of Therapeutic Area)
 - Deputy Chief Compliance Officers
- Both PCF (Pharmaceutical Compliance Forum) and Non PCF members are eligible

Who might consider joining the Program?

- New to: Role, Industry or first time entering or exiting a DPA or CIA
- Those who seek insights from experienced executives
- Those who are interested in building a professional network of peers
- Those who want to give back and help support others CCOs

CHIEF COMPLIANCE OFFICER CONNECTION PROGRAM

“Program for CCOs by CCOs”

Is the Program only opened to those who attend the Congress?

No, if you were invited to the Congress but could not attend, you can still participate.

What are Program Requirements?

- Must be an eligible to participate (see above)
- Must be willing to commit to the program for one year
- Must complete an on-line enrollment survey for matching purposes
- Must participate in quick periodic surveys to evaluate Program's effectiveness

When does the Program Begin? How do I register?

- ***Program Kickoff will be held at the Virtual Chief Compliance Officer Roundtable on November 2,2021. You do not need to be present to participate in the Program***
 - The enrollment form can be completed in advance through the link below.

<https://www.surveymonkey.com/r/2021CCOProg>

- ***December 2021:*** Participants will be matched together based on their responses provided on the enrollment form
- ***Early January 2022:*** Matched participants will be connected via email

What is the Program Commitment?

We expect participants to commit an appropriate amount of time and effort to grow the relationship for at least one year (i.e. the next Congress). The goal is to establish these relationships for the long term so as to build your network base and to feel comfortable reaching out to those in your network whenever you need.

It will be up to each pair to determine meeting frequency and topics for discussion.

How will I be matched with a peer?

Each interested applicant will fill out a short enrollment survey to gauge experiences and specific areas of interests. We will then pair up similar individuals with complimentary backgrounds.

How will success be measured?

Participants will be asked to complete periodic surveys to assess the Program.

Who can I contact for more information?

Please contact Deb Scanlon, Pharmaceutical Compliance Forum (PCF) Administrator at pcf.org.info@gmail.com
